NEW! Time for Dig and Divides

The Plant Sale team invites you to help at our fall D&Ds (Donations and Divisions). Digs will start at 10:00 and we will be dividing and potting up the plants starting at 11:15 at Nellie Oehler's farm, 5570 SW West Hills Rd. Per our negotiated agreement, 80% of the plants we sell this year will come from these local digs. Funds from this MG Plant Sale provide the majority of the budget for all we do as Master Gardeners every year. Please mark your calendars and come help out. Contact Leslie Hauser at lesliehauser107@gmail.com if you have questions or would like additional information about all the fun we have at these D&Ds!
