

Habitat Game ☺

(1) youngest goes first

Goal: To collect all 4 habitat cards to create a healthy ecosystem for Native Turtles.

(2) Roll dice, move around the board.
Follow directions on the board.
Collecting habitats as you go.

(3) First player to collect all 4 habitats cards wins or play until all habitat cards are used and the player with the most complete number of habitats wins .

(4) If you land on lose a turn you can attempt to roll a six on the die before the time runs out on the timer.
If you can roll a six you don't lose a turn.
