

Invasopoly

Instructions

1. Pick one person that you are playing with to be the banker.
2. Spread out the board so all the chances are in place.
3. Each person picks a playing piece and has everybody roll the die and whoever got the highest number moves first.
4. When you land on a chance do what the chance card tells you to do.
5. When you land on a go to jail space you have to put your piece on jail and move again.
6. Every time you land on the go space or move over it collect two dollars.
7. The banker should give each payer 1 \$100, 2 \$10, 3 \$5, and 4 \$1 at the start of the game.
