**Re: Send-A-Friend Mini-College Scholarships**

Dear Chapter President/Area OMGA Representative:

In 2002, a new policy was put into place which established a revolving fund to be supported by state and chapter donations. This fund is called "Send-A-Friend". The revolving fund works this way.....the funds donated last year will be used to make awards to applying chapters this year. Monies donated to the fund this year will be used to make awards for the 2019 G2 – Growing Gardeners conference.

The Send-A-Friend Program has been very successful in raising funds the past few years through donations and the raffle at G2 (formerly Mini-College). There is adequate funding for ten (10) OMGA Chapter to receive a \$200.00 scholarship this year. Priority will be given to those chapters with an income of less than \$25,000 or less per year. This scholarship is to be used to help fund one or more of your Chapter Master Gardeners so that they may attend the 2018 Growing Gardeners - G2 conference at Linfield College in McMinnville, Oregon who otherwise might not attend due to financial reasons. Another way to utilize the scholarship is to send your Chapter's "Master Gardener of the Year" to the G2 conference so that they may be recognized.

Please notify your chapter's executive board and extension agent that the "Send-A-Friend" scholarship forms are available. They are attached to this letter and need to be filled out and submitted to receive the scholarship. They are also available on the OMGA website.

Deadline for "Send-A-Friend" application this year is May 15, 2018.

If you have any questions, feel free to contact me.

Sincerely,

Marcia Sherry  
Send-A-Friend Chair
