

ANGEE HUNT

Now:

Sr. Faculty Research Assistant-II
OSU Seafood Lab

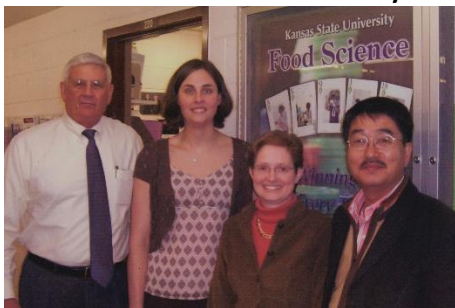

Email: angeeh@hotmail.com

Angee Hunt began working for Dr. Park as a Research Assistant at the OSU Seafood Lab in 1997. She was promoted to Senior Faculty Research Assistant in 2009 and to SFRA II in 2017. Areas of research emphasis include: value-added fish protein R&D; surimi and surimi seafood; ingredient formulation testing; and texture analysis. In addition, she is the Director of the Better Seafood Processing School-BSPS to serve the QA/QC, R&D, and seafood research needs of the industry.

Then:

Masters in Food Science
2005-2007
Kansas State University

Angee completed her Masters in Food Science via the K-State on-line program. She was the first student to complete and defend a research thesis. Dr. Kelly Getty and Dr. Jae W. Park served as co-advisors. Thesis title: DEVELOPMENT OF TEMPERATURE TOLERANT FISH PROTEIN GELS USING SPECIAL STARCHES. Resulting publications include:
