

SUNGIK HUR

Now:

Manna Organics, Inc.
General Manager

Email: shur@snwon.com

Sungik Hur studied and worked as a Research Assistant for Dr. Park at the OSU Seafood Lab. He focused on evaluating the crabstick functionality including texture and whiteness. Now he is working as a General Manager of Tofu manufacturer and at the same time he is doing R&D to make a better product.

Then:

Masters in Food Science and
Technology 2010-2011
Oregon State University

Sungik got his Masters in Food science and Technology at Oregon State University. He completed his study under Dr. Jae W. Park in Seafood lab for 2 years. Thesis title: RICE FLOUR – A FUNCTIONAL INGREDIENT FOR PREMIUM CRABSTICK.
