ManA Frozen Foods Co.,Ltd.

Email: Natthawit-s@manafish.com

Natthawit represents the 3<sup>rd</sup> generation from his family to serve on the ManA Group's board of director. In May 2017, he was named surimi production manager. In addition, he is responsible for plant revamp exercise and helps manage the section for new clients interested in surimi based products from other countries. He mostly works at the factory located in Songkhla, Thailand but sometimes he travels overseas to meet with the clients.

## Then:

Dr.Jae W Park's Brain Wash  
Program, 2016

Natthawit completed his Bachelor degree in Food Science from Kasetsart University, Thailand. He then worked for a Japanese company after his graduated. After working for a while, he decided to go aboard to gather more information about "surimi" and to make more friends in this business field. He participated in a 6 month brain wash program from Dr. Jae W. Park (November 2016-May 2017). As part of his training to be a future leader of surimi business in Thailand, he assisted "Angee", "Ning", "Katie" and "Robin" with various lab exercises as well as other tasks from Dr. Park. Before he returned to Thailand, he participated as a speaker at PFT 2017 to highlight the Surimi Industry in Thailand: Past, Present and Future.
