

# MG (MYEONGGI) LEE

## Now:

Application R&D center  
researcher / MSC CO., LTD

Email: [mglee530@gmail.com](mailto:mglee530@gmail.com)

MG has been working for Dr. Yoon as a Masters student at the KNU FPEL from 2013. He joined MSC in 2015 after graduation. MSC Company produces raw materials and products: Carrageenan, Agar, Natural Food Colors, Functional Food Ingredients, Concentrated Juices, Sauce, Seasoning and Flavors. His task is to develop a beverage by applying its materials.

## Then:

Internship student at OSU  
Seafood Lab  
December 2013-July 2014

MG had joined at the OSU Seafood Lab as an internship student. He is a disciple of Dr. Yoon who is disciple of Dr. Park. He opened a small path for Dr. Yoon's next internship students as a first intern student 😊
