

SUE HANSELL

Now:

Office Manager
OSU Seafood Lab
2003-present

Sue started working at the Seafood Lab July 15, 2003 when Michael Morrissey was the Director. She replaced Nancy Chamberlain and Tami Burgher. She enjoys horseback riding, volleyball officiating, traveling, watching sports, and swimming. She is married to Steve Hansell and has one son, Greg (37), 2 step-daughters (Whitney-31; Danielle-29), 1 step-son (Jacob-27), 4 granddaughters and 1 grandson. She really enjoys working at the Seafood Lab and working with all the great students and staff. Thank you, Dr. Park, for this fun opportunity to travel to Thailand to see and visit everyone!
