

Extension website help and support

Read the website help guide

beav.es/extension-webguide

The main source of information about using the Extension website. Also includes:

- Introduction to Extension's digital strategy
- Printable "Quick Start" documents for reference
- Glossary of common website-related terms

Submit a support request ticket

beav.es/Zn9

Our team is happy to help with issues and questions about the website and related tools such as Google Analytics. For university-wide systems such as OSU WordPress and Box, we may refer you to another source of help on campus.

Stay up to date by following the project blog

beav.es/navigator

For updates about new features on the website as well as Extension's digital strategy in general, please subscribe to our project blog. We post weekly.

Featured posts:

- Best practice for county pages - **beav.es/Z7H**

Reach out if you have questions or suggestions

We welcome feedback, questions, and suggestions about the website and Extension's digital strategy in general. We are also happy to work one-on-one with groups and individuals as time allows. Our contact info can be found on the Project Blog.

Visit our "Sandbox" - this is a fully functional clone of the Extension website where you can experiment in a non-production environment - **beav.es/ZuA**
