Patricia.dawson2@gmail.com

Happy Fall!

We hope this newsletter finds you and your families well.

Mike Knutz, 4-H Agent from Yamhill County, was installed as the National President at the ESP Conference in Colorado Springs, CO last October. We are very excited for Mike! ESP has made giant strides with Mike at the helm.

Our chapter is responsible for making a donation in his name to the National ESP Development Fund at the 2020 National ESP Conference, October 5-8, 2020. The ESP Development Fund is an endowment that generates over \$36,000 annually that is awarded back to members for professional development in the form of scholarships, stipends, and grants.

If you are willing and able to make a donation, please do either of the two options below:

Make your donation to the Gamma Chapter - Oregon. Our chapter is one of two in the Gold Level of giving to the Endowment Fund. The treasurer will send a check of all donations made to the National Office prior to the 2020 Conference. Or you may give directly to National ESP at the national website in honor of Mike Knutz:

<https://espnational.org/Donate>

Sincerely,

Your 2020 ESP Gamma Chapter Leadership Team

Honoring Our Members & Supporters

Congratulations to the following ESP Gamma Chapters Members for their excellence in Extension Programming

Epsilon Sigma Phi (ESP) has been a professional organization dedicated to fostering standards of excellence in the Extension System and developing the Extension profession and professional since 1929. It is the one organization that represents all Extension Program areas. Recognition is one of the ways in which ESP encourages excellence within the Extension System.

2020 National ESP Recognition Recipients

Congratulations to the following Gamma Chapter members selected as 2020 National ESP Recognition Recipients! These individuals will be honored during the National Virtual ESP Recognition Luncheon in October. Way to Go!!!!!!

- **Mid-Career Service Award -Patricia Skinkis**
- **Early Career Service Award -Emily Henry**

Registration is Open!!

- Regular Registration by September 7, 2020 - **\$100.00**
 - Life Members - **\$50.00**
 - Late Registration after September 7, 2020 - **\$125.00**
 - Reduced registration is available through September 7th for concurrent session lead presenters, ignite and poster presenters, national committee members and national voting delegates. Special registration codes will be sent to these members directly.
 - Ruby Lecture and Awards Program ONLY - Free registration for this session to ESP Members who register by September 7
- ♦ Non-member registration - **\$150.00**

National Conference Speakers

Keynote Speaker, Sonny Ramaswamy is president of Northwest Commission on Colleges and Universities (<http://www.nwccu.org>) in Redmond, WA, which accredits institutions in Alaska, Idaho, Montana, Nevada, Oregon, Utah, Washington, and British Columbia. Sonny served for six years as President Barack Obama's appointee as the Director of the National Institute of Food and Agriculture (<https://nifa.usda.gov>) in Washington, DC. He provided leadership and strategic direction in the formulation of broad, national policies needed to develop and execute cutting edge science and its application to promote profitability of the food and agricultural systems while protecting the environment and creating economic opportunities.

Wendy Wintersteen - Distinguished Ruby Lecture has served Iowa State for more than 40 years in several capacities. She began her extension career as an integrated pest management specialist in eastern Iowa. She earned her PhD while working as an extension associate, and as a faculty member led the Pesticide Safety Education Program. She served as director for Agriculture and Natural Resources Extension and associate dean of the College of Agriculture and Life Sciences. In addition, she served as endowed dean of the College of Agriculture and Life Sciences and director of the Iowa Agriculture and Home Economics Experiment Station for 11 years before being chosen as Iowa State University President in 2017.

Make plans to attend the 2021 ESP National Conference in Savannah, Georgia October 25-28, 2021. The conference will be held at The DeSoto Savannah, a Historic property overlooking Madison Square in the heart of Savannah's Historic

Jonathan Ntheketha—Capnote Speaker. As Associate Director at Rochester Institute of Technology, Jonathan provides leadership, oversight, and support of Center initiatives and operations, including the MCAS Advocates Program, DDI Summer Experience, and creating the MCAS Coaching Curriculum. Jonathan is dedicated in his work to develop, oversee, and coordinate the Multicultural Center for Academic Success's (MCAS) commitment to providing opportunities for and holistically developing historically underrepresented students at RIT.

New Member Spotlight ~ Gamma Chapter

Spirit Brooks ~ Research Coordinator, Outdoor School

Dr. Spirit Brooks (she/her) is the Research, Evaluation, and Assessment Coordinator for the Oregon State University Extension Service Outdoor School program, based in Benton County on the OSU main campus. In addition to her role as a primary investigator on research projects related to Outdoor School in Oregon, she also is responsible for the development and implementation of program evaluation and self-assessment tools. She is particularly proud of her collaborative work: she co-developed a workshop for outdoor educators that examined the intersections of Indigenous studies and outdoor education with another Indigenous identified researcher/instructor, and has collaborated with a team to develop a set of culturally responsive self-evaluation tools for outdoor school programs. Goals include continuing to bring an Indigenous lens to research and evaluation in her work, and de-centering settler colonialism in outdoor education. She enjoys being outside, exploring Oregon on the back of one of her mules, gardening, reading, and spending time with her grown kids.

Rita Bauer ~ Outdoor School Program

Rita Bauer is the Assistant to the Program Leader for the Outdoor School Program. Located on the Corvallis Campus in the Extension Administration Offices, Rita does the things that help everyone else on the Outdoor School program staff do the incredible jobs they do, by minimizing the speed bumps and roadblocks they might encounter. She loves working on the Outdoor School program because it's a fantastic program that impacts Oregon's 5th and 6th graders in a positive way and for the rest of their lives! Rita is married, has two hairless dogs, no children, and noted that her one office plant is now dead. She spends her free time cooking, riding her ElliptiGO bike, and reading trashy romance novels. Like Skeletor, Rita strives to carefully consider her words; determine if they are insightful or constructive, and if not, she tries to opt for silence.

Rita's fun fact – She's lived in seven states.

Joyce Senior ~

Nutrition Education, Program Coordinator

Joyce Senior has worked since 2016 for Oregon State University Extension Service as the state coordinator for EFNEP and the SNAP-Ed coordinator for Clatsop County. She received her B.S. in Human Nutrition from University of Costa Rica in 2010 and a PhD in Food Technology from Clemson University in 2015. Joyce is a proud Afro-Latina, born and raised in Costa Rica who has a true passion for helping others improve their quality of life. Her unique background and bilingual skills have also made her an asset in the development of nutrition education strategies and resources to better serve Latinx and African Heritage communities across Oregon.

Her hobbies include singing karaoke, dancing, reading books and listening to podcasts.

New Member Spotlight ~ Gamma Chapter

Sarah Cuddy **Eastern Regional Coordinator, Outdoor School**

Sarah Cuddy is the Eastern Regional Coordinator for the OSU Extension Outdoor School Program. She is based in Baker City and works in the surrounding eastern counties in supporting the development and implementation of outdoor school for all 5th and 6th graders. As a life-long Oregonian, Sarah attended outdoor school as a sixth-grader and is passionate about making outdoor school and outdoor experiences accessible for all of Oregon's youth. Sarah has a B.S. in Environmental Science and a minor in Biology from the University of Oregon, and has a background in outdoor education and non-profit advocacy. In her free time, Sarah enjoys exploring remote parts of eastern Oregon's high deserts and forests with her family. She enjoys being outside in many forms but has a special affinity for backpacking and fly-fishing.

Olivia Davis ~ **SNAP-Ed/FCH Outreach Program Coordinator**

Olivia Davis, MSN is the SNAP-Ed/FCH Outreach Program Coordinator for Jefferson County and the Confederated Tribes of Warm Springs Extension units. Her work is focused on bringing evidence-based nutrition and physical activity education to youth, adults, and their families in low-income areas. She specializes in adapting and creating programming materials that are representative of local cultures, and opening discussions on how her units can do better to provide access. Olivia teaches dance, is an avid runner and loves spending time enjoying life's moments with her family playing games and doing puzzles.

Josh Davalos ~ 4-H Youth Outreach Coordinator

Josh is one of the newest 4-H Youth Outreach Coordinator serving Marion County. He is responsible for designing and implementing programs aimed at improving wellness and education for students of all backgrounds. In performing his duties Josh is able to leverage his experiences working with the public and non-profit sphere in English- and Spanish- speaking communities. On his free time, Josh loves playing boardgames, making music, and designing or building things. One day he would like to teach college courses and lead a non-profit focused on improving diversity awareness and education in his community.

Fun fact: Josh demonstrates his love of learning by being in school since the age of 4.

Amy Young ~ Research Coordinator, Open Campus

Amy Young, MPH is the Research Coordinator for the Oregon State University Juntos program. She conducts program evaluation for Juntos and is the principle investigator for the research and scholarship activities. Amy's background is public health, and she is proud of incorporating the principles of health equity and social determinants of health into her work with Juntos. In the future she hopes to see the Juntos evaluation continue to grow as an interdisciplinary research project.

In her spare time Amy enjoys crossword puzzles, knitting, and traveling. Amy has visited nine Major League Baseball ballparks (hoping to add to the list) and loves working a short walk from the OSU Beaver's stadium

New Member Spotlight ~ Gamma Chapter

Amy Hoffman ~ Southern Regional Coordinator, Outdoor School

Amy Hoffman, MS is a Regional Coordinator for the Oregon State University Extension Service Outdoor School program. She serves seven counties in southern Oregon and works with school districts to ensure that every 5th or 6th grader has a fun, safe, equitable experience at outdoor school. She also supports outdoor school educators and providers in her region through professional development and networking opportunities. Amy's background is science education and she enjoys connecting learners to science, natural resources, and art through inquiry based learning experiences in Oregon's great outdoors. She looks forward to continuing to build strong networks between formal and nonformal educators in order to provide empowering outdoor experiences for our youth. In her spare time Amy enjoys being outdoors in beautiful southern Oregon with her husband and dogs, reading, and playing piano and viola.

Jacob Putney ~ Extension Forester, Baker & Grant Counties

Jacob Putney is an Assistant Professor of Practice, Forestry and Natural Resources Extension Agent, serving Baker and Grant Counties. He is responsible for providing forestry and natural resource related educational programs, to audiences typically consisting of woodland owners, foresters, conservation groups, and many others.

Prior to working for the Extension Service, Jacob completed his Bachelor's and Master's degrees in Forestry at Oregon State University. In his spare time, Jacob loves to be outdoors whether it be backpacking, hiking, or fishing.

Amanda Bielenberg-Hayes ~ Event Manager, Open Campus

Amanda is currently serving as the Event manager within the statewide OSU Open Campus team. She is charged with planning and executing Extension and Engagement events, including logistics and programming, manages special programs and initiatives such as OSU LDPE (Leadership Development Program). Some of Amanda's points of pride include the creation of the Elevate Extension Keynote Talks which have garnered national adaptation, the execution of biennial Juntos Family Day visits to OSU which – in 2019 – brought over 1500 Latinx students, parents, and family members to campus and presented them with interactive workshops, tours, and other fun activities. In her free time Amanda enjoys hiking, backpacking, four-wheeling, and spending time with her boys. Among a few of her goals, Amanda hopes to successfully transition the upcoming Extension and Engagement events into innovative and beneficial virtual experiences, such as the Extension Annual Conference and the LDPE cohorts. Fun fact: As an undergraduate student, Amanda was on OSU's Dance Team.

Richard Riggs ~ Western Regional Director

Richard Riggs is a 20 year Navy veteran and currently serves as the Western Regional Director for Oregon State University Extension serving six counties within the Willamette Valley. He previously served in a variety of State agency leadership positions, working closely with the Governor's office and the State legislature, to develop legislation that enhanced and strengthened protections for Oregon's children and natural resources. His commitment to public service also includes serving as an elected board member to Chemeketa Community College. Rich is proud to be part of the OSU Extension team serving his counties and communities in ways that visibly help and improve community health outcomes, youth development and local economies. His hobbies include camping, fishing, hiking, gardening, home brewing and cider making, and dog walking.

Fun fact: Rich was a member of the Canadian Forces Base (CFB) Esquimalt champion volleyball team!

New Member Spotlight ~ Gamma Chapter

Caryn Wheeler ~ Assistant Professor of Practice, FCH

Caryn Wheeler serves Jackson and Josephine counties as an Assistant Professor of Practice in Family and Community Health. She joined OSU Extension in 2016. With over 15 years of public health experience, she brings a robust enthusiasm for connecting resources and people to create more equitable systems that unleash potential for better health outcomes and the happiness afforded by self-determination. Caryn prides herself on being able to talk to anyone, anywhere about anything. Using her background in public health she is able to tie together data and stories to align community partners in their efforts to improve the lives of the communities they live, learn, work, play, and serve in. Her wicked sense of humor endears her to most, the rest come along in time. She is unwavering in her pursuit of justice and inclusion. When she isn't gesticulating wildly while talking about public health and community development, she can be found with her nose in a book, hiking with her dog Beau, or experimenting in the kitchen.

Juliana Ranches ~ Assistant Professor, Extension Beef Specialist

Juliana Ranches is originally from Brazil. She recently graduated with a Ph.D. in Animal Sciences from the University of Florida. In January of 2020 she joined Oregon State University as Assistant Professor/Extension Beef Specialist. Her academic Department is the Animal and Rangeland Sciences; however, she is based at the Eastern Oregon Agricultural Research Center, in Burns OR. Some of the goals of her Research and Extension program is to 1) improving mineral nutrition of cow-calf operations, (2) identify cost-effective, pre-weaning nutrition and management strategies to improve post-weaning calf health and performance, and (3) understanding beef cattle maternal behavior and how this affects the calf at weaning. Juliana loves working with cows and enjoys watching them. She is also very passionate about working with producers and is constantly learning from them.

Leah R. Sundquist ~ Clackamas County Liaison/Manager

Leah Sundquist, is our new member from Clackamas County. She is the County Liaison and Manager. She is responsible for the overall administrative and operational functions of the Extension office with 6 staff she supervises and ensures support of county commissioners, residents and 19 faculty and staff. She manages the Extension's \$2.5 million dollar budget and coordinates 3 advisory teams- Extension, Budget and New Building. Her pride points are completing 35 years in the military (now retired), earning 2 Master degrees, and a wonderful daughter. She is an Educator by trade. Her hobbies are cooking, hiking, sports, crafts, and day outings. A couple of fun facts include that she has been all over Afghanistan (2006-07), spent 30 days in Katrina and Rita (2005), and Yellowstone Fires('88). She has repelled out of helicopters and jumped out of planes.

Gina Galaviz-Yap ~ Juntos Statewide Coordinator

Gina oversees the OSU Juntos program through Open Campus. Juntos (meaning "together" in Spanish) works to empower families around education. Gina's points of pride in Juntos is that the high graduation rates of the students who participate in the Juntos program, and the Juntos Coordinators/staff who she gets to work with. The experience and skills of the coordinators and statewide partners are largely the reason for the success of the program. Gina hopes to continue the great work and build upon the foundation that has been set. Gina is new to extension and has seen there is a lot of opportunities across the state to expand the program and to better serve Latino students and families in Oregon. Her hobbies include spending time with family, exploring the outdoors, and international travel.

Fun fact: Gina has been to The National Park of American Samoa, the only National Park Service site south of the Equator!

Chapter Recognition Award Nominations Due October 15th

Fellow ESP Members,

We are seeking nominations for the following Chapter Recognition Awards that will be presented at our Annual Extension Conference in December. Please submit nominations by Thursday, October 15th.

Friends of Extension

This is the highest recognition presented by ESP to a non-Extension (lay) person, business or organization and is designed to recognize truly outstanding support and personal involvement in Extension efforts. One nominee per year is selected for this honor. Scholarships, Grants and Recognition Committee reviews and selects the winner based upon the scope and impact of service and contribution towards OSU Extension Service programming and efforts.

Meritorious Support Services

Support staff who have demonstrated significant support for Extension programs. ESP membership is not required. Application is attached.

Retiree Service

Extension retiree who continues to contribute to the mission and programs of Extension. ESP membership is required. Application is attached.

25-Year Tenure of Service Recognition

ESP members with 25 years of employment in the Extension System. No application required, but rather email me your years of service for each Extension Service that you have worked for during your career.

Retirement Recognition

ESP members at the time of retirement from the Extension System. If you or another ESP Member retired this past year from OSU Extension, please email me their name.

Thank you for considering this opportunity to recognize and show appreciation for the work of others. We will also recognize our staff awardees that were selected earlier this year during our Annual Extension Conference in December.

Contact me if you have any questions.

Jose Garcia

Member Recognition Chair

Jose Garcia; 503-580-8685, jose.garcia@oregonstate.edu

Professional Development Scholarships & Grants Due Soon

PILD Scholarship (Due December 1)

Epsilon Sigma Phi, through the ESP Development Fund, has established this scholarship for eligible members to attend the Public Issues Leadership Development National Conference in order to become informed about and develop skills in responding to public issues and legislative matters affecting Extension programs and personal needs. The scholarship is to be used to defray the cost of attending the Public Issues Leadership Development Conference. Four to six (depending on funding) scholarships of \$600.00 each will be awarded annually.

Angus Professional Development Scholarship (Due December 1)

Epsilon Sigma Phi, through the ESP Development Fund, provides \$4,000 annually to fund scholarships not to exceed \$1,000 per member to encourage, stimulate, and support professional development through participation in courses, seminars, conferences or workshops.

Professional Development Programming Grant

The purpose of the Epsilon Sigma Phi Professional Development Grant is to stimulate development of Extension professionals. Grants will be awarded to interdisciplinary teams to plan and conduct a project with an appeal to a broad audience of Extension professionals. Through the ESP Development Fund, funding for at least four \$1,000 grants is available annually and will be awarded through a competitive process.

Rita T Wood Grant

The Rita T. Wood Grant is intended to provide funds for one or more grants per year to individual members or chapters of Epsilon Sigma Phi. Grants to a chapter may be for programs or activities supporting leadership development and chapter growth. Grants to individuals may be made for the leadership or professional development of others within ESP. Award amounts may vary. Current maximum annual grant award is \$1250.00.

Gamma Chapter Provides National Leadership

- Congratulations to **Mike Knutz**, who currently is serving as National ESP President and also represents ESP on the National JCEP Board of Directors!!!!
- **Kevin Gamble** serves as the Western Region Contact on the National Global Relations Development Committee.
- **Lynette Black** is serving as Western Region Contact for the National Membership Recruitment and Retention Committee.
- **Barbara Brody** is providing leadership as Western Region Contact on the National Resource Development & Management Committee.
- **Patricia Dawson** is serving as a Western Region Contact on the National Scholarships, Grants & Recognition Committee
- **Deb Warnock** is serving as a Western Region Contact on the National Professional Development Committee.
- **Carole Smith & Katie Ahern** are serving as a Western Region Contact for the National Marketing Committee.

2020 Gamma Chapter Committees

We encourage you to join a Chapter Committee. It is a great way to learn more about the Association and provides you with the opportunity to connect with fellow professionals from across the state. Contact the respective Committee Chair to learn more.

Global Relations Committee: Shana Withee

Works to support international work of ESP members and the extension system to build the capacity of extension professionals to help local communities better understand their communities in a global context.

Scholarship, Grants and Recognition Committee: Jose Garcia and Mike Knutz

Develops membership benefits programs, reviews award packets and submits to nationals, assist with grant submissions.

Marketing Committee: Victor Villegas

Advises the chapter on strategies for marketing ESP to potential members and administration and to promote the ESP organization and image. Keeps information on the website current.

Membership Recruitment and Retention Committee: Jon Gandy

Works with chapter to recruit and retain membership. Share with colleagues the benefits of membership to ESP.

Professional Development Committee: Tracy Wilson & Becky Munn

Assist with planning professional development opportunities for the membership. Provides input to the Chapter President for the OSUEA Annual Conference, helps plans and conduct learning experiences and related activities. Applies for professional development funds from the National Association

Public Issues Committee: Lynette Black

Follows public issues related to Extension personnel benefits (i.e. Federal Retirement), makes input into Public Issues Leadership Development Conference (PILD) and other public issues related to developing support for Extension.

Resource Development and Management Committee: Deb Warnock

Works on the chapter budget proposal, implements plans for increasing financial resources of the Organization and related financial issues.

Retiree Issues Committee: Nellie Oehler

Keeps retirees connected to the chapter. Assists with planning retiree events and professional development. ***This is an extra committee and not required by National.***

Historian: Duane Johnson

Maintains documents for the historical files. ***This is an extra committee and not required by National.***

Newsletter Editor: Patricia Dawson

Compiles the chapter newsletter. ***This is an extra committee and not required by National.***

Latino and Urban Affinity Committee: OPEN

Provides a network for Extension professionals in ESP who work in urban and/or Latino communities by providing support, training, professional development, and other opportunities that advance the mission of land-grant universities while ensuring diversity, equity, inclusion and engagement.
