Sally Goodman
Environmental Engineer
NPDES Permitting Section, EPA Region 10
Email: goodman.sally@epa.gov

Sally Goodman is a permit writer in the NPDES Permitting Section at EPA Region 10, based in Seattle. In this capacity, she works to issue certain federal and tribal wastewater permits within the Region 10 states of Washington, Oregon, Idaho, and Alaska. She is currently the lead for the Offshore Seafood Processing sector, coordinating the Washington/Oregon and Alaska general permits. Sally is also the tribal coordinator for her section.
