

Central Gorge Master Gardener Association Policies

April 2016

Budget/Finance Committee Approved 09 Feb 2016

Purpose: The purpose of this policy is to clarify the Association's general process for budgeting, financial planning and the usage of its funds. This policy will create a Budget & Finance Committee to assist the Executive Committee and Association in the budgeting process.

Terms: CGMGA Budget & Finance Committee referred to as the "Committee"

Goal of Association Budgeting: The goal is to fund all appropriate activities and projects to the best of the Association's ability to do so. By having one central fund, it is believed that all activities and projects that fulfill the purposes of the organization may submit for funding. It is the goal of the Committee to review all annual budget requests to insure they are consistent with the goal and mission of the Association and in alignment with the intent of which the Association's funds were acquired.

Goal of Association Financial Planning: The goal is the security and growth of those Association funds which are in excess of the Association's annual financial needs, as determined by the approved budget. The amount of the Association funds placed in "investment" shall be determined by the Association. The Budget & Finance committee shall develop a recommendation as to the amount and placement of those funds set aside for investment. This recommendation shall offer the maximum security of the funds while obtaining a return consistent with the highest degree of security and liquidity. This recommendation shall be submitted to the Executive Committee for review and, upon acceptance, submitted to the Association for approval. This recommendation shall be submitted in conjunction with the annual budget.

Committee Membership: The Budget & Finance Committee shall be appointed by the Executive Committee in January. The Committee shall consist of the Treasurer, a minimum of one Past President, and those Association members who desire and are deemed appropriate by the Executive Committee. The Extension Officer and Program Coordinator shall function as advisors to the Budget & Finance Committee. The committee may select one member to function as chair.

Budgeting: Budgeting for the Association shall be done yearly. A budget shall be presented by the Committee, reviewed and approved by the Executive Committee, and presented to the Association members for final approval.

Budgeting Process: Each officer, project leader, workshop and class coordinators, and anyone else desiring funds from the organization's budget shall be asked by the Committee to submit a budget item(s) to the Committee in a timely manner for budget preparation.

Each committee and project leader will receive a budget request form from the Budget Committee in September. The committees will not automatically have renewed budgets each year. Each committee will start the year with a zero budget balance. Items budgeted for, but not expended during the budget year, may be carried forward but will be reviewed and may or may not be approved in the new budget.

The budget will be presented to the Executive Board for review prior to the fourth quarterly meeting. The proposed budget shall be distributed to the Association membership for review at least one week prior to the 4th quarterly meeting for approval at the 4th quarterly meeting.

Budget Approval: The Committee shall review all budget requests with attention to comparison with the prior year's expenses and anticipated expenses and projects for the upcoming year. The Committee may request additional information or justification from the applicant. The Committee shall present the recommended budget to the Executive Committee which, upon approval, shall present it to the Association members for final approval. The Executive Committee may seek additional information for any budget item from the Committee or the project leader.

Income: All income from dues, classes, fund raisers, and any other sources of income shall be for general use by the Association in funding the approved budget with the following exceptions:

- **Fund Raisers:** A project leader or any Association member may request that a specific fund raiser's income be designated to a particular project or usage within the Association. Approval may be given by the Executive Committee following evaluation of the merits of the request.
- **Grants:** Monies from grants applied for by a particular project shall be designated for that project's exclusive use and be designated as such in the Treasurer's records.
- **Donations:** Donations may be received into the general fund or reserved for specific projects or activities as directed by the donor.

Budget Adjustments: The Executive Committee shall, at its discretion, or at the recommendation of the Committee, re-evaluate the budget at any time during the fiscal year if unanticipated income or expenses occur. They may make changes to the budget in a responsible fiduciary manner without approval by the Association members unless expenditure is greater than \$500.

Educational Programs Revised 13 Feb 2008

Purposes:

- Assist the Hood River County Master Gardener Program Assistant with educational programs that are offered to the public through all community workshops.
- Plan the educational program for each CGMGA quarterly meeting.

Organization: The Educational Programs process will be chaired by the Master Gardener Program Assistant and an Educational Program Chair selected from the CGMGA membership.

The Educational Program may form a committee consisting of as many members as needed to oversee the following areas for each workshop:

- **Publicity:** Public Service Announcements (PSAs) distributed to local newspapers and radio stations, class description included in the Community Education program schedule, promotion in the community through posters and announcements at garden clubs and appropriate businesses, and promotion at CGMGA events.
- **Facilities:** Locating and reserving the workshop meeting space, arranging needed equipment such as laptop, projector, etc.
- **Hospitality:** set-up day of workshop, clean-up after workshop arranging for refreshments and other needs, distributing workshop handouts, materials, and evaluation forms; developing a roster of attendees that includes contact information.

Master Gardener of the Year Selection Approved 02 May 2007

Purpose: The purpose of this policy is to clarify the Association's procedure for the nomination and selection of the Hood River County – Central Gorge Chapter Master Gardener of the Year award.

Goal of Selection: This award recognizes outstanding dedication and service of an OSU Master Gardener at the county level. The goal is to honor one (or possibly more) Central Gorge Master Gardener(s) of the Year as a premier contributor to the success of the Central Gorge Master Gardener Association and OSU Extension Service Master Gardener Program. The recipient(s) could be a person who has been a previous recipient of the Master Gardener of the year honor or the honor could be given to more than one person.

Qualifications of Recipient: The following criteria are either required or recommended:

 - Participates as a mentor for incoming MG trainees
 - Participates as a speaker for garden related educational talks in MG classes or the community
 - Demonstrates a spirit of cooperation with other MGs

Process: The following process shall be followed:

- Nominations from the general membership shall be solicited via the Association's April newsletter and/or via e-mail to all members (in addition to a telephone call to those with no e-mail if an e-mail is sent).
- A submission date for nominations shall be set as May 15th
- A selection shall be made by May 30th.
- The MG selected shall be notified in a timely manner by the Selection Committee Chair as soon as the selection is made to allow time for registering for Mini-College.
- The MG of the Year shall be announced to the membership in June via the organization's newsletter and at the summer picnic.

Selection Committee: The committee shall consist of the Master Gardener Program Coordinator (non voting), the last three (3) MG of the Year recipients currently participating in the Master Gardener program, and four (4) MGs from the general membership. The 4 general membership representatives shall be recommended by the Master Gardener Program Coordinator and agreed upon by the three prior MG of the Year recipient members. The MG of the Year recipient with the most seniority on this committee shall serve as its Chair.
